Academy 1 Sports College in partnership with Newham College of Further Education welcomes anyone who wants to study here and our aim is to create an environment that supports all our students to study no matter what their age, nationality, colour, creed, faith, disability, marital status or circumstances.

Academy 1 Sports in partnership with Newham College has made a big commitment to the quality of service it provides to students over recent years and has developed a Student Charter, which outlines the standard of service you can expect from them, and the learning agreements you will be part of, on joining the College.
